

MONICO

MOBILE DECENTRALIZED CRYPTO EXCHANGE

V3.4. NOVEMBER 2018

CHRISTIAN BLANQUERA

Founder, chris@moni.co

+63 905 337 6000

A mobile-first crypto-exchange platform
that empowers consumers to participate
in the token economy.

THE PROBLEM

Crypto exchanges, over a 1 Trillion USD market, are centralized and are prone to hacking. Riddled with 24/7 trading volatility and overrun with bots, most exchanges do not responsibly serve the token economy either.

UNDERLYING MAGIC

MOBILE AS A COLD WALLET

Wallets are stored on your phone,
not our servers

Wallets are safe if we get hacked
or go down

All transactions are safe on the
blockchain

VALUE PROPOSITION

Decentralized Exchange

COMMUNITY DRIVEN

The Monico Ecosystem includes traders, investors, auditors and project owners working together.

CROWDSALE FEATURES

KYC, 2FA, discount, Referral, and Round Management and Private Round Features and APIs as well.

DECENTRALIZED TRADING

Wallet information are never stored on servers and transact with multisig and smart contracts.

COMPLETE KYC

Company information and business documents. Founders KYC, token design and smart contracts vetting.

TRADING FEATURES

Stabilizing tokens with open and close times, margin trading and daily minimum and maximum caps.

INTEROPERABILITY

Not just ERC20. Monico also supports Stellar, NEM based tokens with more to come.
